

include/passCustStr.hpp

```
graph TD; A[include/passCustStr.hpp] --> B[string]; A --> C["beginner_tutorials/ChangeString.h"]
```

The diagram illustrates a C++ header file, `include/passCustStr.hpp`, which includes two other files. Two blue arrows originate from the bottom of the top box and point to the two boxes below it. The left arrow points to a box containing `string`, and the right arrow points to a box containing `beginner_tutorials/ChangeString.h`.
